

What is LAMP?

L.A.M.P. - Lutheran Association of Missionaries and Pilots (LAMP Ministry Inc. in the USA) is a cross-cultural ministry sharing Jesus Christ in remote areas of Canada. **LAMP celebrates over 50 years of ministry thanks to supporters like you!**

LAMP's mission teams are often the only spiritual nourishment these families have since few churches are staffed. Our volunteers hold Vacation Bible School and other activities + stay in touch. **How can you have an impact?**

PRAY for more teams and staff missionaries. Pray the seeds of faith planted will grow. Communities invite us to come to teach the hope that can be theirs through Jesus.

SERVE on a mission team with us. Explore "Get Involved" at www.lampministry.org or call Shelly at **1-800-307-4036** to find out more.

SIGN UP as a monthly partner or give (as able) to ensure families receive the gospel and know the hope we have in Jesus. Call 1-800-307-4036.

Thank you so much for all the lives you've changed throughout my time with LAMP. I appreciate this organization and this opportunity. It's truly changed my life and shaped my faith. ~ Mckenzie, volunteer with Gitanyow, BC team
